Wayside Schools conducted a program self-assessment of its Pre-K program to determine the quality of the program using a voluntary tool provided by the Texas Education Agency. We are using the results of the program self-assessment as part of our continuous improvement efforts in order to better serve our scholars and families. If you have any questions about the results of the program self-assessment, please contact Marcia Molinar at mmolinar@waysideschools.org.

**Strengths Identified:**

Wayside Schools has demonstrated an overall proficiency to an exemplary rating in the following category: **Access and Enrollment** to Pre-K Programming. Our program rating will continue to increase as we convert all Pre-K 4 classrooms to a full-day program over the next year.

- **We currently excel in the following sub-categories**
  - Outreach Strategies
  - Enrollment Plan
  - Enrollment Process

**Continuous Improvement**

Wayside Schools currently reaches an overall Proficient Rating in the categories of **Assessment** and **Family Engagement**. Below is our commitment to continuous improvement in the 20-21 school year.

- Wayside Schools Pre-K Program will continue to plan and tailor individualized instruction for scholars based on data gathered from CLI assessments three times per year.

- Wayside School will work to continue building our Family Engagement plans by providing sources of assistance to families on a monthly basis, monitor rates of participation at events below 30%, and report on the five primary developmental domains.
Opportunities to Grow Identified:

In conducting the program evaluation, Wayside School will focus on making improvements in the following Categories for the 20-21 school year.

- Wayside Schools will continue to support the Administration and Teacher development with professional development specifically in the area of Early Childhood.

- Wayside School will continue to support its Pre-K classroom in the category of Instruction by providing guidance on the instructional activities and classroom setting in every Pre-K classroom.
